4. Audit of searches of the CCSO's Flock network by agencies other than CCSO from for Jan 1, 2025 to when the request is processed. Per Flock's documentation, this audit can be obtained from the Insights tab and is called the "Network Audit"
5. A list of current network share settings from Flock that include "Flock networks shared with me" and "Networks that I'm sharing".

Please provide records in their original electronic, machine readable format. For example, please provide CSV or spreadsheet files where applicable.

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. In addition, this work may appear online. Thus, I am requesting a fee waiver for any potential costs, as the release of information will be published for public interest. If a fee waiver cannot be granted, please inform me of all costs before further processing the request. Please break down the fees and labor-cost by each numbered item.

Please respond within five business days, as required by Illinois law. If the request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. Please let me know if you have questions and if I can do anything to expedite this request.

Thank you for your anticipated compliance.

Sincerely,

A solid black rectangular box used to redact the signature of the sender.
