Hello Champaign County Sheriff's Office,

I am a freelance journalist writing a blog post about the use of Flock. I was wondering if CCSO would like to offer a public statement on the following matter:

By neither soliciting competitive bids nor obtaining permission to skip competitive bidding from the Director of Finance and the Auditor's Office, CCSO's procurement of Flock LPRs appears to have violated Sections III and V of the [Champaign County Purchasing Policy](#).

Sincerely,
Samuel Grayson
