

Hello Champaign PD FOI Officer,

I wanted to check the status of FOIA request PDFOIO-2026-1922.

I got a message saying my FOIA request was received during business hours on Friday, March 13. I think the statutory response time has elapsed (5 business days beginning the day after receipt would be Monday March 16 -- Friday March 20).

Please let me know the estimated completion date, or let me know if you need clarification or fee authorization.

Thank you,
